

New for 2011!

The Motor City Tap Fest Youth Camp is designed for tap students 12 and under with less than 4 years of focused tap training. At only \$60, this is perfect for students who haven't attended a tap festival before or for those who are afraid they will have trouble keeping up in the other scheduled classes. Taught by the amazing Jenefer Miller and Suzy Guarino, students are guaranteed to get one-on-one guidance in a fun and supportive atmosphere!
